

## Adam Marangos

### Avid Off-line / Online Editor / FCP / After Effects

#### Profile

Adam is a well rounded dynamic and creative editor who thrives in most areas of post. Strong at the on-line stage utilizing his skills with graphics and Effects, whilst able to effectively project manage and deliver on time. Still retaining a bedrock however in the offline environment, covering a wide range of post production over a 17 year period. Having worked in the UK, Los Angeles, Australia and Spain, he is adaptable to different situations and editing environments. Adam also worked for Avid (UK), training people, technically & creatively, so he knows the systems inside and out.
