

Alice Smith

Final Cut Pro / Avid Editor

Profile

Alice is a factual offline editor with recent credits including Gino's Italian Escape (ITV), A Taste of Britain (BBC 1), and Tony Robinson's Time Walks (History Channel). During her time as a senior editor in Australia, she worked extensively on ob doc, reality, lifestyle, history, cooking and children's programming. Alice works extremely well under pressure and delivers high standards to tight deadlines, whilst always making sure the edit suite is a communicative, relaxed and fun place to be. She has an advanced knowledge of AVID, FCP 7, After Effects, Photoshop, colour grading and onlining.
