

Andreas Torner *Avid Offline & Online / FCP & Premiere Editor*

Profile

Andreas is a natural editor, his work is quick witted and intuitive. He has a clear understanding of client's needs and expectations, confidently liaising with them and giving invaluable advice on both creative and technical matters.

As well as being technically outstanding, he excels at narrative construction and storytelling, and has a particularly strong sense of musicality. Andreas is equally at home cutting commercials or documentaries he has a great eye, real creative flair - a bonus to any project and a pleasure to work with!

Broadcast

"The Southbank Show" Steve Pemberton and Reece Shearsmith talk to Melvyn Bragg about their early influences and inspirations, which stem from a mutual love of both horror films, and British comedy. They discuss the genesis of *The League of Gentlemen*, and the stories behind some of its most infamous characters, including the murderous Tubbs, and the vicious Pauline, with contributions from fellow *Gentlemen* Mark Gatiss and Jeremy Dyson.

Directors Cut for Sky Arts and NOW TV
