Becky Solomon

Premiere Editor

Profile

Becky is a very passionate short form editor, stylistically versatile and able to quickly adapt to different styles. Her experience ranges from cutting hard hitting action packed trailers, fast cut fun sizzles, to slow paced emotionally compelling work. She has a real flair for storytelling and excels in delivering exceptionally powerful pieces, combining both music and picture.

Becky is enthusiastic and loves coming up with fresh ideas. Her creativity, empathy and imagination combined with her strong technical knowledge, gained from working at some of London's top post houses, make her a hugely popular choice. She always develops a great rapport with her clients and they always ask for her back! She is a real asset to have on board.
