Harry Anstey

Avid / Premiere / Color Editor / AFX (Offline and Online)

Profile

Harry is a highly experienced editor known for his expertise in music programming, VTs, and live entertainment. He has a strong reputation and extensive experience in a variety of genres. Harry is skilled in directing music composition, preparing and coordinating high-end post-production, and creating graphics in the edit suite. Not only is he a creative editor, but he also has in-depth knowledge of the equipment and provides training to others. Throughout his career, Harry has developed excellent relationships with clients and is known for his calming presence in what can often be a stressful and fast-paced environment.
