## **Jayesh Lathia**

### ***Avid Editor***

### **Profile**

Jayesh is a fabulous editor, who really enjoys dealing with a strong narrative and story. He loves working on documentaries, current affairs and drama-docs – anything which involves him getting to the heart of the story and revealing powerful narratives.

Jayesh has a real flair for music. He is thoughtful and patient and always makes an extra effort to get on well with the Producer / Director to gain the best results.

Being a great communicator, he successfully interprets the Director's vision, adding his own influence / ideas when needed, to contribute to an excellent and well-crafted end project.

Jayesh has numerous returning clients who consider him their first port of call for any project, the best compliment an editor can have!
