

JP Davidson

Symphony, Avid, DaVinci Resolve, AFX, Colourist

Profile

JP has nearly 20 years' experience working as a VFX artist, supervisor and producer, Colourist and On and Offline Editor in Feature films and television using Avid, Apple Color, Media Composer, Symphony, After FX and DaVinci Resolve. He has worked on many projects for top end facilities and production companies involving long and short form (Online and offline) editing and complex grading, graphics and compositing.

He has also worked on the film and TV trailers including '*I, Frankenstein*' and '*Catching Fire*'. He is a great asset to any project - very hardworking, diligent and easy to get on with.
