

## **JP Davidson**

### ***DaVinci Resolve Online & FX/ AFX / Avid***

#### **Profile**

JP has over 20 years' experience working as an Offline & Online Editor, Colourist, VFX artist, post supervisor and producer in feature films and television using DaVinci Resolve, Avid Media Composer, Symphony, After FX and Fusion. He has worked on many projects for top end facilities and production companies involving long and short form (Online and offline) editing and complex grading, graphics and compositing.

He is a great asset to any project – very hardworking, diligent and easy to get on with.

#### **Remote**

JP has a full remote set up with consistent 900Mbps Download speeds and 110Mbps Upload via FTTP. Using the latest Apple Mac M1 Ultra Studio (Highest spec available) with a calibrated, 4k Grading Monitor and grading panel.
