Mikhael Junod

Avid & Premiere Editor

Profile

Mikhael is creative and has a real passion for the job at hand, which gives him great enthusiasm for everything he works on.

He is great with narrative driven projects, docs /ob docs and has experience in consumer/current affairs and science, to name but a few.

Mikhael loves working on new innovative multi-media jobs and he works extremely well as a lead editor.

With a background in journalism, Mikhael likes to contribute to the editorial when the story demands it and clients find him technically competent and speedy in AVID and FCP.

He has the added benefit of being bilingual English and French.

Mikhael is fun to work with and don't be surprised if he arrives at the edit on roller blades!
