

Paul Bussey

Avid Offline and Symphony Online

Profile

Paul Bussey is a top class editor, strong in both offline and in online, grading and finishing broadcasting standard. His passion is working on comedy / drama and programming where he can really bring his skills and talent for structure and narrative to the screen. He has excelled in music programming and performances and has worked with some of the best directors in the field who request his creative skills again and again. Not only this but he is incredibly easy to work with and builds up a great rapport with all his clients.
