

Steve Flatt

Avid Offline Editor

Profile

Satisfaction has represented Steve for nearly 2 decades and over that time he has become an extremely popular and sought-after editor with clients. He is fast, creative and very easy to work with. He is often up against tight deadlines but always remains calm, keeps his brilliant sense of humour and is able to read the director well and crack on with the edit himself. He has a musical background (being a musician himself) and so has a fantastic ear as well as eye.
