## **Teddy Bekele**

### ***Avid Offline***

#### **Profile**

Teddy is a fast, pacey cutter originally specialising in music projects, promos, commercials and trailers. He has, in recent years, incorporated his creative contemporary editing style into working on drama documentaries and factual programming and he has a loyal pool of regular clients who are always keen to work with him. He interprets briefs well and works hard to get the job done to the best it can be. He is meticulous and loves to be creative. Clients trust him to deliver, always meeting deadlines and always to the highest standard.

#### **Credits**

##### **Documentaries / Drama-Docs**

***"Body Cam"*** Series 2 & 6. 4 x 60min. Raw, intense and action-packed body cam footage puts the viewer in the front line of policing. Using real footage from police body cameras, viewers experience first-hand the dangerous, fast moving situations officers face and the life-or-death decisions they must make.

*Exec Producer: Stuart Pender*

Arrow Media for Discovery

***"In the Eye of the Storm"*** Series 1 and 2. 2 x 60min. This documentary series uses real footage and interviews to tell survivors' stories of their brushes with extraordinary weather events.

*Exec Producer: Stephen Dost*

Arrow Media for Discovery

***"GRPD"*** True Crime Ob Doc series following a police department in the US as they respond to emergency call-outs and investigate crimes. It includes bodycam footage, police dashcam footage and police department CCTV.

*Exec Producers: Stuart Pender & Gary Sherman*

Arrow Media for Discovery ID

***"In The Footsteps of Killers"*** Series 3. Episodes 1 and 4. 2 x 60min. True crime documentary series. Emilia Fox and Professor David Wilson use the latest forensic science and criminological research to shed new light on unsolved murder cases.

*Exec Producer: Paul Sommers*

Alaska TV for Channel 4

***"Feuds Gone Wrong"*** Series 1. 2 x 60min. True Crime Documentary Series featuring true stories of feuds gone wrong with terrible consequences. It uses dramatic reconstructions.

*Exec Producer: Stephen Dost*

Arrow Media for Discovery ID

***“See No Evil”*** All seasons 2 to 10. 11 x 44min. Ground-breaking new series about how real crimes are solved with the help of surveillance cameras. The series features real footage and dramatic reconstruction, combined with first-hand testimony from police, witnesses, and families.

*Exec Producers: Michael Kot, Betty Orr, Tim Baney*

Arrow Media for Discovery ID

***“The Playboy Bunny Murder”*** Episode 2. 1 x 60min. Additional Editor. Marcel Theroux examines the brutal murders that shocked London in the 1970s, when Eve Stratford, Lynda Farrow and Lynne Weedon were all murdered. The documentary includes interviews with friends, colleagues and relatives of the victims and will provide intimate insight. Theroux attempts to track down police files, examines new breakthroughs and travels across the world in search of answers.

*Director: Sam Miller*

Future US for ITVX

***\*Critics Choice in The Times\****

***“Love, Honour, Betray”*** Series 2. Episode 6. 1x 60min. True crime series using real footage to tell the shocking stories of those duped by their partners in dark and devastating ways that no one could have seen coming.

*Exec Producer: Stephen Dost*

Arrow Media for Discovery ID

***“Pervert: Hunting the Strip Search Caller”*** Episode 3. Three-part documentary series telling the story behind a serial hoax caller who targeted over 100 fast food restaurants across the USA between 1993 and 2004. They duped restaurant managers into conducting a search of junior employees by telling them they had committed a theft. Victim testimony and interviews with key players in the investigation, and the trials that followed, bring this story to life.

*Series Director: Richard Turley*

Wag TV for Netflix/Paramount Plus

***“Seven Days on Mars”*** 1 x 90min. Professor Brian Cox fulfils a childhood dream by going behind the scenes at Nasa’s Jet Propulsion Laboratory (JPL), mission control for Mars 2020 – one of the most ambitious missions ever launched that may finally reveal if life ever existed on the red planet.

*Exec Producer: Ashley Potterton*

Arrow Media for BBC Two

***“Caught in the Net”*** Series 1 & 2. 2 x 60min. True stories of investigators entering the digital world to solve a brutal murder. Every time anyone goes online, they leave a digital trail behind them. Now investigators must enter this virtual world and follow the data as they race against time to secure justice for victims' families and track down the killer.

*Exec Producer: Ash Potterton*

Arrow Media for Discovery ID

***“Positive”*** 1 x 60min. Episode 3. 3-part docuseries featuring archive footage and intimate testimony from some of the earliest HIV patients and real-life heroes to tell the tragedies and triumphs of Britain’s 40-year battle with HIV.

*Series Producer: Tracey Chapman*

Arrow Pictures for Sky Documentaries

***“Gabby Petito: The Murder that Gripped the World”*** 1 x 90min. This documentary follows the case of Gabby Petito, a 22-year-old who went missing while travelling on a van trip with her boyfriend Brian Laundrie across the US. She was later found dead. The programme looks at her own videos and posts on Instagram and other sites.

*Exec Producer: Nathaniel Lippiett*

ITN for Channel 5

***"Generation 9/11"*** 1 x 120min. Co-Editor. An estimated one hundred and eight children were in their mother's womb when they lost their fathers in the terrorist attacks of 11<sup>th</sup> September 2001. This intimate documentary tells the stories of these unique children and their families, twenty years after the tragedy.

*Director: Liz Mermin*

Arrow Pictures for PBS, ARTE France & Channel 4

***"Twisted Killers"*** Series 1. 1 x 50min. This new true crime series tells the shocking stories of some of America's darkest, most unusual murderers and how they were brought to justice.

*Exec Producers: Bruce Kennedy and Ian Russell*

ITN Productions for Oxygen US

***"Breaking the Band: Twisted Sister"*** 1 x 60min. Music documentary which follows the journey of this hard gigging band from New York. Within a few years of making it big, the fire that fuelled the flames of fame was extinguished by overexposure and tensions within the band, leading to a messy break up in the late 80s.

*Exec Producer: Ash Potterton*

Potato for ITV

***"Queen of Meth"*** 1 x 60min. Three-part series in which one of America's most notorious drug Queenpins, Lori Arnold, sister of actor Tom Arnold, takes a break from her mundane Ohio factory job to confront her criminal past and how she turned an addiction into an enterprise.

*Executive Producer: Elli Hakami*

Talos Films for Discovery +
