

## Teddy Bekele

### *Avid Offline/ Symphony Online*

#### Profile

Teddy is a fast, pacey cutter with a particular love for music projects, promos, commercials and trailers. He interprets briefs well and works hard to get the job done to the best it can be. As an online editor, Teddy is extremely meticulous, a good grader and loves to be creative. He has on-lined many long series and clients trust him to deliver, always meeting deadlines and always to the highest standard.

#### Credits

##### Long form

**“Body Cam”** Series 2. 2 x 60min eps. Raw, intense and action-packed Body Cam puts the viewer in the front line of policing. Using real footage from police body cameras, viewers experience first-hand the dangerous, fast moving situations officers face and the life or death decisions they must make.

Arrow Media for Discovery

**“History 101”** (Working title). 2 x 30min series telling the history of subjects ranging from nuclear power to DNA through graphics and archive.

ITN Productions for Netflix

**“The Devil Speaks”** Finishing Editor. 1 x 60min ep. New series featuring real-life murder investigations. Using a combination of real footage, interviews, dramatic reconstruction and archive, The Devil Speaks puts the voices of the victims and perpetrators themselves at the heart of the storytelling.

Arrow Media for Discovery

**“Gordon Ramsay: Uncharted”** 1 x 45min. Laos. Whisking together three key ingredients: unlocking a culture’s culinary secrets through exploration with local food heroes, no matter where they may lead him; tracking down high-octane traditions, pastimes and customs that are specific to the region in hopes of discovering the undiscovered. Finishing Editor

Studio Ramsay for National Geographic

**“The Secret World of the Holiday Resort”** 1 x 60min. Ob doc which lifts the lid on an all-inclusive hotel in the heart of Spain’s Costa Brava. Focusing on the thousands of Brits who flock there each year and uncovering what they really like to do on holiday, from the partying, family feuds, the stolen romantic moments, the incidents, the accidents; everything, quite literally, under the sun!

Lion Television for Channel 5.

**“The Hangover Games”** 3 x 30min. A brand new gameshow with a bittersweet twist. This unique and hilarious series will see presenter Matt Richardson and co-host Ken Cheng spring a surprise on hungover Brits across the country, challenging them to compete in an outrageous set of challenges, based on their antics from the night before, all for the chance of winning cash. Little Gem for E4

**“How the Universe Works”** Series 6. Continuing its journey into the cosmos, this series combines interviews with the world's foremost organisations such as NASA, ESA and CERN, scientists, fascinating experiments in leading research facilities, visual effects and cutting-edge CGI to give an absorbing insight into how all the elements in our Universe evolved and continue to evolve.

Pioneer Productions for Discovery

**“American Monster”** Season 2 & 4. If you looked into the eyes of a killer, would you know? In American Monster, you find out. For the first time, viewers get closer than ever to some of America's most shocking and surprising crimes. Filled with never-before-seen footage of these devils in disguise, from home movie shots of them playing with their kids to musical performances at high school, from the church cook-out to the wedding video, American Monster interweaves twisting-turning stories of astonishing crimes, with 'behind-the-scenes' footage of killers at their seemingly most innocent.

Arrow Media for Discovery ID

**“See No Evil”** 2 x 44min. Episodes 6 and 10. Ground breaking new series about how real crimes are solved with the help of surveillance cameras. The series features real footage and dramatic reconstruction, combined with first-hand testimony from police, witnesses, and families.

Arrow Media for Discovery ID

**“Animal Fight Night”** 1 x 60min. Episode 10. Animal Fight Night features battles between some of the biggest, baddest and often surprising fighters in the wild. National Geographic dissects the science behind the fight tactics and weapons that human champions wouldn't and couldn't employ.

Arrow Media for National Geographic

**“America in Colour”** 5 x 60min episodes covering five decades - the story of America in the early 20th century. Using colourised archive footage.

Arrow Media for Smithsonian Channel.

**“Live from Space”** A ground-breaking and exciting season of programmes made in collaboration with NASA, taking viewers into space with the astronauts on the International Space Station. *Offline and Online.*

Arrow Media for Channel 4 / NatGeo / NASA

**“Adele at the BBC”** 1 x 65min BBC Music production. Adele performs some of her biggest hits in front of a live studio audience, and talks to host Graham Norton about her life and career. Pre-titles and VTs.

BBC1

**“The X Factor”** Series 10 & 11 of this popular primetime music entertainment series presented by Dermot O'Leary and judged by Gary Barlow, Sharon Osbourne, Nicole Scherzinger and Louis Walsh. *Offline*

Thames for ITV1

**“God's Acre”** 1 x 80min Feature film. Malcolm lost everything to the recession. To pay off his debts he needs to renovate and sell his last house fast but a dreadful secret lies entombed within its walls.

**“Big Cat Games”** 1 x 44min doc investigating whether big cats in conservation areas still hold the basic instincts they were born with.

National Geographic US

**“Transformation Nation”** 1 x 60min documentary for American Broadcast. Designers turn a plane into hundreds of amazing new products, and prove that creativity is a genuine solution to Britain's waste crisis.
