

## Steven Watkins

### *Final Cut Pro / Avid Editor / After FX*

#### Profile

Steven edited in busy post production houses and creative agencies for 9 years, working across a range of long and short form projects including; Advertising, trailers, live music, promo, corporate films and TV programming.

Steven is confident in offline and online editing, including multi-cam edits, grading and in suite sound mixing as well as intermediate After FX.

He has a good eye for detail and works well on his own as well as being used to working with a room full of clients!
