

Dan Setford Avid / FCP / Premiere Editor

Profile

Dan is very accomplished and extremely creative, he's hugely experienced in editing trailers, TV spots and high-end advertising campaigns for TV and cinema. Dan has also worked on a variety of other formats including feature films, music videos, corporates, documentaries and promotional featurettes.

In the last few years Dan has concentrated on feature docs, with the Hansa Studios doc being nominated for this year's Best Arts or Music documentary category at the Griersons Award. His first love is still cheese rolling, and he manages to combine this skill in all the edits he produces.
