Dan Wilkes

Avid Offline Editor

Profile

Dan has over 60 hours of broadcast experience as an offline editor for broadcasters such as BBC, Channel 4, Channel 5, ITV, UKTV, Animal Planet, Discovery Channel & TLC. He's a passionate, creative editor with a proven track record of reaching tight deadlines under high pressure. He loves the process of cutting an entire show from scratch; weaving storylines and seeing it all come together. In addition, his technical background enables him to tackle problems making him easy to work with, helpful and hardworking.

Credits

"New Lives in the Wild" Series 19. 1 x 60min. Ben Fogle travels to the world's most extreme places to meet the people turning their backs on what life 'should be' and instead experimenting with living using only what they can source from the land. In this episode, Ben meets a family who have carved out their own slice of wilderness for a simple life on an Isle of Wight cliffside, but who have faced legal challenges and the risk of a landslide.
