Gavin Ames

Avid Editor

Profile

Gavin is an exceptionally talented editor. Fast, creative, and very technically minded. He is one of the best music editors around, with vast live multi-cam experience.

Since excelling in the music genre, Gavin went on to develop his skills in comedy, editing Shooting Stars. His talents have since gone from strength to strength and he now has a wide range of high-end credits under his belt, and has worked with some of the biggest names in UK and US comedy. He's equally at home editing stand-up, panel shows, VTs, sketch comedy, or comedy docs. Clients love working with him so much that they ask him back time and time again!

"Gavin is without question the most talented, creative, and caring editor I've ever worked with. He went above and beyond time and time again and words genuinely can't do justice to how highly I regard him" Mia Cross, Avalon
