

Gavin Ames **Avid Editor**

Profile

Gavin is an exceptionally talented editor. Fast, creative, and very technically minded. He is one of the best music editors around, with vast live multi-cam experience ranging from The Isle of Wight Festival, to Take That, Faithless and Primal Scream concerts. Since excelling in the music genre, Gavin went on to develop his skills in comedy, editing Shooting Stars. His talents have since gone from strength to strength and he now has a wide range of high-end credits under his belt, such as live stand up for Bill Bailey, Steven Merchant, Ed Byrne and Angelos Epithemiou. He has also edited sketch comedy, a number of studio shows and comedy docs. Gavin has a real passion for editing comedy and clients love working with him so much that they ask him back time and time again!

Comedy / Entertainment / Factual

“The World According to Jeff Goldblum” Series 2. Through the prism of Jeff Goldblum's always inquisitive and highly entertaining mind, nothing is as it seem. Each episode is centred around something we all love – like sneakers or ice cream – as Jeff pulls the thread on these deceptively familiar objects and unravels a wonderful world of astonishing connections, fascinating science and history, amazing people, and a whole lot of surprising big ideas and insights.

Nutopia for National Geographic and Disney +

“Guessable” In this comedy game show, two celebrity teams compete to identify the famous name or object inside a mystery box. Sara Pascoe hosts the show with John Kearns on hand as her assistant. Alan Davies and Darren Harriott are the team captains, in a format that puts a twist on classic family games.
