

## Spencer Doane

### *Avid Offline/Online Editor/Premiere/Baselight*

#### Profile

Spencer is a highly skilled editor with over 30 years of experience in TV. He has a fully equipped high spec home edit suite and is used to working completely independently if required. He's edited many genres but most recently has focused on comedy, reality and light entertainment. Clients like working with him, particularly for his ability to give comic input to the script-writing process.

As well as offline, Spencer has graded and onlined numerous TV series and countless music videos, he's also sound mixed and composed the music for many hours of TV.

Spencer is a real asset to any production.
