

Alex Langworthy

Avid / After FX / Motion Graphics / Resolve Editor

Profile

Alex is a creative short form editor, who is adept at coming up with ideas. Having been in-house editor at Sony for 4 years, he has plenty of music experience working on many music videos, performances and promos. He's also worked on commercials, corporate films and online content. Alex has the added advantage of being competent in AFX where he's used it for rotoscoping, 3D camera tracking, face tracking, motion graphics, text animations as well as creating 3D environments. In addition Alex is competent in motion graphics and Resolve (for colouring). He's the whole package!

Music Videos

Scouting For Girls - Grown Up - Sony Music

Editor

A comedic short film follows an elderly gentleman as he steals from a shop, plays pranks on people and surprises the public by performing acrobatics.

Paige - Waves - Sony Music Auckland & Fish n Clips (New Zealand)

Editor

Paige uses magical powers to take her classmate/love interest out of maths class and into a dream sequence of endless cute date activities. They dine, go thrift shopping, go to the arcade and they get tattoos.

Au/Ra - Emoji Lyric Video - Sony Music

Animator

An animation lyric video of a teenager's bedroom with audio reactive lighting effects and text animations inside the old television.

Aitch ft. Sevn Alias - Sony Music

Editor, VFX

Filmed and edited in 24 hours this video follows Rappers Aitch and Sevn around Manchester, each scene has a stop frame animation as a transition. The result is surprisingly high end for such a sharp turn around.

George Ezra - Shotgun Lyric Video - Sony Music

Editor

A Karaoke style Lyric video of George Ezra's number 1 track Shotgun.

ALMA - Bad Behaviour

Sony Music

Editor, Motion Graphics, VFX

A trippy psychedelic representation of mental illness this video is extremely abstract and has only a handful of shots, animations and lighting effects give the video more context.

Little Mix - Bounce Back - Pride Edition Remix - Sony Music

Editor, VFX

A Gay Pride video of the hit song Bounce Back, the video features the drag group Dirty Trix. It's high temp, colourful, camp and full of glitter.

Honey G Show - Sony Music

Editor

A green screen music video for the notorious X-Factor contestant Honey G.

Nothing But Thieves - If I Get High - Live - Sony Music

Editor

A live session music video by the hauntingly brilliant Nothing but Thieves.

Editor

Teaming up with his daughter Savannah, the visually striking video showcases her partaking in an impassioned dance performance The blissful sequence is intercut with a spotlight-soaked portrait of Alexis playing the piano

Ghetts - Know My Ting (Gorgon City Remix) ft. Shakka - Sony Music X Deadbeat

A slick, vibrantly colourful video. An energetic, power-packed performance from Ghetts and Shakka - even though the visual theme is based around statues. Editor

Will Heard - I Better Love You - Sony Music

A music video shot in L.A. A regular bus ride turns into a dream sequence involving falling in love, following a girl home and a slap in the face. Editor

Foxes - On My Way, Scar & Devil Side - Sony Music

A trio of acoustic music videos by the very talented Foxes. Editor - Shooter

Bad Sounds - Living Alone - Sony Music

This short film starts with a mysterious figure riding a bike, it is then revealed she has the singing heads of the band Bad Sounds in her basket. The bodies of the missing heads hatch a plan to get their heads back. In contrast to the bizarre video and funky beat the lyrics are pessimistic leaning on the side of depression. Editor

Tom Walker - You and I & Now You're Gone - Sony Music

A couple of beautifully shot acoustic music videos for Tom Walker. Editor

Little Mix - Vertical Videos - Woman Like Me, Think About Us & Bounce Back - Sony Music

A trio of vertical music videos for the girl group Little Mix. All three are very visually different. 'Woman Like Me' is a sophisticated black and white affair with the girls all in suits and acting like men. 'Think About Us' is a sweaty play on hot and cold and includes world class dancers, while 'Bounce back' is a cheesy 90's throwback to Barbie, Baywatch and inflatable flamingos.
Editor, VFX

Sonny Fodera - Need - Sony Music

A psychedelic audio reactive kaleidoscope animation. Animator

Ward Thomas - Never Know - Sony Music

A clean white lyric video with motion tracked lyrics around the girls head. Editor
