Simon Mackenzie

Avid Offline Editor

Profile

Simon is passionate about editing with a real talent for his career. One of the things that makes him stand out is his analytical mind with great attention to detail. This means he really enjoys searching through hours of footage to find the hidden gems to make a scene work. Simon's talent has seen him progress from assisting and assembly editing to now cutting full episodes across a variety of genres. He is great to work with – hard working and dedicated and this is evident in the amount of clients wanting to work with him again and again.
