Helena Vagnolini

Avid / Premiere Editor

Profile

Helena is a talented, intelligent editor who has a particularly good sense of narrative. She works hard to make the best of the footage, her cuts are beautiful and well thought through and she is always focused and diligent. She has a particular passion and skill for working with music and loves to see how her music choices can really bring the edit together. She makes a fantastic, positive addition to the team.

Long Form Credits

"The Pelicot Rape Case: A Town on Trial" 1 x 90min. This current affairs documentary uses drama recon and talking heads to look at the Gisèle Pelicot mass rape trial which has stunned the world. 72-year-old Gisele's former husband, Dominique Pelicot, drugged her and invited men to rape her for over a decade. The documentary will provide a psychological, legal and cultural perspective.
