Ivan Cullen

Avid/ Adobe Premiere Editor & After FX

Profile

Ivan is a brilliant short form editor who specialises in trailers and promos, with additional experience in commercials, music promos and long form. Clients find him to be a very hard worker and they love that he has a great balance of technical skill and creative editing. He is fast yet precise and has a great sense of narrative. He has a cracking sense of humour and is also a calming influence in the edit suite when the pressure is on! He is available to work at home with a full remote set up or happy to work in-suite.
