

Colt St. George

Premiere / Avid Offline

Profile

Colt is a dynamic, creative editor who loves storytelling. He has an abundance of experience crafting greenlit sizzle tapes, pre-titles, pilots, documentary shorts, and compelling branded video content. His sizzles have won funded development and greenlights for factual TV shows and feature docs from major networks including A+E, Discovery Channel, National Geographic, BBC, Netflix, Channel 4, HGTV, HBO Max, and NBC. He can easily adapt to different styles of cutting depending on the broadcaster. He's brilliant with music, super personable and enjoys collaborating on projects. He is also happy to get on with things independently and has kit at home to work remotely. Clients say he's patient, keen and has a brilliant work ethic.
